Re: Foothill Square

Dear Mr. Kirk:

In response to your letter dated July 10, ARCO has already provided your client with groundwater depth information from ARCO's wells. This information is in the quarterly report copied to your client. The most recent quarterly report will be forwarded shortly. Foothill Square does not need and should not have, access to ARCO's wells to duplicate this information.

Please feel free to call me if you have further questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Beth S. Dorris".
