Re: Sampling of Groundwater Monitoring Well at 6633 Foothill Boulevard, Oakland, California

Dear Mr. and Mrs. Lane:

Stratus Environmental, Inc. (Stratus) has prepared this letter, on behalf of Ravi Sekhon, in order to access your property at 6633 Foothill Boulevard in Oakland for the purposes of collecting a groundwater sample from a monitoring well situated on the subject property. On Wednesday, December 8, 2010, Stratus will be collecting groundwater samples from the service station located at 6600 Foothill Boulevard, and another neighboring property. Stratus would like to collect the groundwater sample from your property at the same time that the other work is performed. The work on your property should take approximately 30 minutes to complete.

Upon receipt of this letter, please contact Scott Bittinger at (530) 676-2062, or via electronic mail at sbittinger@stratusinc.net in order to verify that this date is acceptable to you. On behalf of Mr. Sekhon, Stratus would like to thank you for your ongoing cooperation in allowing access to your property.

Sincerely,

STRATUS ENVIRONMENTAL, INC.
