Subject: Fuel leak case RO175 - FOOTHILL MINI MART, 6600 FOOTHILL, OAKLAND

Scott,

I received notification yesterday evening that a Well Destruction report for the subject fuel leak case was submitted to the Alameda County Environmental Health (ACEH) ftp website. The submittal will not be available for my review before Monday, February 2nd. A review of the California State Water Resources Control Board (SWRCB) Geotracker database this morning did not reveal a similar upload.

If you have not already, please upload the Well Destruction report to GeoTracker.

Thank you,
Keith Nowell
