Scott,

Thank you for the disposal document. Please verify and state that all remaining investigation, remediation, and well destruction derived wastes have been removed from the site and upload your verification letter to the Alameda County Environmental Health (ACEH) ftp and State Water Resources Control Board's (State) Geotracker websites.

If you have not already done so, please upload the disposal document to the ACEH and State Geotracker websites.

I will accept the well destruction report once I receive notice that the uploads were successful.

Thank you for your cooperation. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at keith.nowell@acgov.org.

Regards,
Keith Nowell
