I received a call from Mr. Abdul Yusufzai of the CUF re RO175- Foothill MiniMart. He mentioned he had recently (4/17) sent me an email and had received no response. Mr. Yusufzai indicated the site is about to be reviewed by their agency for consideration for closure under low threat. He wanted to know my opinion regarding their position for closing the case. I told Mr. Yusufzai that I needed time for a file review to adequately address a formal response to the CUF, but from what I recalled of the case I would disagree with closure. I indicated a workplan was in place but not implemented as the CUF recommend closure and ACEH did not agree. Mr. Yusufzai requested I put something in writing and email it to the CUF staff to include in their review.
