Dear Dilan and Keith,

It was a great pleasure meeting you both today. I like to thank you for your cooperation and the guidance you provided me today.

I have asked Tim Cook, our Environmental Engineering Consultant, to provide the result of our recent ground water testing and his report. He will request the laboratory to load the water analysis results into the Geo Tracker as well.

Per your request, I am attaching a copy of the Notice Of Responsibility (NOR) that was issued in on October 16, 2008. The attachment A (the third page of the NOR) shows the tanks were removed in October of 2000.

Kind regards,  
Mehrdad
