Good morning,

Has the letter of closure been processed by Alameda County? If so, can you please provide an electronic copy for my records?

Thank You,
Angela

Thanks.

Can you submit a well destruction report by May 3? If so I'll post the date on Geotracker. It should include the documentation of the disposal of any well destruction waste, although that can follow.

I wanted to let you know that the 60-day public participation period ended yesterday. No comments were received. If you have not already scheduled well destruction, please do so and keep me posted. You are free to destroy the wells at this time.

Thanks,
