Subject: Intrest in Wells Responce

Hi Jerry,

Here is the answers to my question....

“Do you know of anyone or any groups that have an interest in the wells or have expressed any interest in the wells since August, 1990”?

Let me know if you need anything further.

Thank you,

Jan,
We are not aware of any other groups and persons expressing interest with the test wells.

To the best of our knowledge, the City of Livermore is not aware of any expressed interest of the test wells.
