Mr. Wickham,

An extension was granted by you for the submittal of the Subsurface Investigation Report for RO# 189 (930 Springtown Blvd., Livermore) on April 29, 2008. Chevron has now acquired the access agreement to the offsite property at 900 Bluebell Dr./922 Larkspur Dr. The field work is scheduled for July 10, 2008. The planned submittal date for the final Subsurface Investigation Report is August 15, 2008.

Please let me know if you have any questions. Thank you.
