Paul,

I still have not received the submission of the SWI for the site at 1701 Park Ave. in Alameda. I have been asking your staff to submit the report to the ACEH ftp site for quite some time. The report is now overdue. However, I want to give you the opportunity to send in the SWI before I send out notice of violation, as I am required to do.

Please feel free to contact me at any time regarding this matter.

Best Regards,
