Returned Amy's call (510-715-8199). She is the new person at Cal Trans and came across our May 28, 2008 letter addressed to Caltrans and the Porter's (all RPs). She wasn't sure what this letter was about. I explained to her that Caltrans did some work and submitted a report and we are requesting further assessment. I also informed her that the Reports are available on ACEH's website for review. She asked what would happen if she didn't respond by the due date (July 28, 2008). I informed her that initially I would sent out another letter requesting compliance.
