Thank You Karel,

I guess I have not updated you but I have recently sold the property to a local developer who will be very interested in this information. I will pass it along and make sure he contacts you.

Thank you for all of you help.

Jeff Farrar

Hello Jeff and Janet:

I have reviewed the 9/15/2014 Soil and Groundwater Report and updated SCM for this case; I think the data supports case closure, but need to meet with Dilan for the final decision. Once that happens, we can start the 60 day public notification process.
