Subject: RO195_Facility 90290 (1802 Webster, Alameda, CA) - Well Destruction Extension Request

Mark,

Attached per our March 13, 2014 meeting is the List of Land Owners Form in relation to the Facility referenced above.

Additionally, I have discussed RO195, Facility 90290 with our Supplier PM, Nate Lee and based on driller schedules he has communicated to me that the well destructions can be completed in early May, that being stated, pending all report drafts and reviews, I am requesting your approval for an extension of Friday, May 30, 2014 for the required work. I appreciate your consideration and support.

Any questions, please let me know.

Thank you,

Alexis N. Fischer
