Subject: low flow sampling for sites addressed at: 800 Franklin St, Oakland; 2345 International Blvd. Oakland

Jerry, I am writing to notify that we are planning on implementing low flow sampling at the sites addressed at 800 Franklin Street, Oakland, CA and 2345 International Blvd., Oakland, CA. to reduce the potential of sediment in the samples collected and the quantity of water generated. If there are any questions, please feel free to contact me at anytime.

Calvin Hee, M.S, Leed AP
