Subject: RO0000196 (800 Franklin Street, Oakland) - Extension Request

Hello Jerry,

Per your letter dated May 11, 2015, the Soil Vapor Sampling Report for RO0000196 (800 Franklin Street, Oakland, CA) was due on September 15, 2015. GHD is currently still working with the off-Site property owners to obtain off-Site access to complete the soil vapor investigation.

GHD respectfully requests a two month extension to complete the soil gas investigation and submit the report. The requested extension due date is November 23, 2015.

I apologize for the late extension request. I erroneously marked the due date for this report submittal at the end of September.

Regards,

Bryan A Fong
