Hello Phil:

Thank you for participating in a brief conference call this afternoon to review Alameda County Environmental Health's (ACEH) comments regarding the August 28, 2014 Work Plan for Soil Gas Sampling (Work Plan) prepared by Langan Treadwell Rollo on behalf of SRM Ernst. Please prepare a Work Plan Addendum (Addendum) to address our comments as discussed during today's call and submit the Addendum by e-mail to my attention (karel.detterman@acgov.org) by November 14, 2014. ACEH will review the Addendum, provide written approval for implementation provided our comments are adequately addressed, and a report due date.

Thank you for your cooperation. Should you have any questions or concerns regarding this correspondence or your case, please send me an e-mail message at karel.detterman@acgov.org or call me at (510) 567-6708.
