The only report I see that isn't on the website is the attached old work plan.

Hello Paresh,

I am the CRA PM for the referenced site. I used to work with Lowney Associates in Mountain View (lots of work in SM Co.) so it was interesting to see your name on this letter. I assume you are the new caseworker for the site?

I viewed your 5/15/09 letter on the ACEH website. Regarding the request for information (additional reports), I reviewed all the documents present on the website and we have nothing in addition to those that I am aware of. Regarding documentation of the tank removal in February 1990, the UST removal report is indeed on the ACEH website. It is identified as SITE_SUM_R_1990-03-07.

We are addressing the remaining comments in the letter. Please let me know if you have any questions or need any further information.

Sincerely,

James P. Kiernan, P.E.
