Good Morning,

I just followed up with the County Recorder's Office and per the Clerk that I spoke with they are running approximately 1 week behind with Real Estate related doc recording. I will follow up on their website to make sure it was received and track for Recording number as soon as it is available.

Please let me know if you need anything else.

Regards,

Patty Sanders

Hi Tina,

Do you have a document number from the recorders office for the deed restriction yet?

Thanks,

Jerry Wickham
