**Subject:** Hanson Sunol - Well Abandonment

Jerry - ARCADIS is preparing to abandon the groundwater monitoring wells at the subject site by pumping grout into the casing in place (a.k.a. pressure grouting). Can you confirm that this work will NOT be subject to the soil management plan?

Also here is our tentative schedule:

- Prepare and submit the permits to abandon the wells this week
- Abandon the wells during the week of February 17, 2014

I will let you know as we refine the schedule and we gets closer to a firm date.

Thanks Ron.
