Dear Mr. Wickham:

In response to the Alameda County Environmental Health Services (ACEH) letter to Lehigh Hanson (Hanson) dated October 4, 2011 (the "ACEH letter"), for the Mission Valley Rock and Asphalt plant located at 7999 Athenour Way, Sunol, CA (the "Site"), Hanson has prepared this letter to provide the ACEH with the following:

- a complete mailing list of all record fee title owners
- comments on the Draft Notification of Potential Case Closure
- submit a mailing list of interested persons to receive the Notification of Potential Case Closure
- upload documents prepared for this Site since 2009 to the GeoTracker website

To satisfy the requirement regarding the record fee title owners, Hanson has completed the enclosed "List of Landowners Form."

Hanson does not have any comments on the Draft Notification of Potential Case Closure.

Hanson has reviewed their files and is not aware of any persons interested in receiving Notification of Potential Case Closure.

As provided in the letter from ARCADIS to the ACEH on October 25, 2011, documents prepared for this Site since 2009 have been uploaded to the GeoTracker website.

Hanson looks forward to working with you and your team to bring this project to regulatory case closure. If you have questions regarding this letter, please call me at 925-244-6584, or Ron Goloubow of ARCADIS at (510) 596-9550.
