Hi Markus,

Glad to hear that the Holland case may move soon. The District Attorney's office has not been involved with this case for quite a while. Her email address is [alyce.sandbach@acgov.org](mailto:alyce.sandbach@acgov.org). The County hiring process has moved at glacial speed and we have two case workers who have accepted employment and should start within the next month.

Did you ever think I'd be able to use those two words right next to each other in the same sentence (and not preceded by 'no')?

Only one remaining transactional detail remains, but I think it looks good for a springtime change in situation.

I'd like to pass along an update to the DA, but have lost her contact info. Do you still have it?

How are things over your way? I'm hoping you have a few new assistants by now.

Talk soon.

Markus
