Dear Mr. Dettloff and Mr. Sprague,

Alameda County Environmental Health (ACEH) concurs that the FS/CAP due date for the subject site should be postponed until after our meeting . We would like to schedule the meeting on September 13, 2013 from 9 to 11 AM at ACEH's office in Alameda. We look forward to discussing the project and developing an efficient path to closure for the site.

Thank you,

Mr. Nowell:

Currently Ms. Dilan Roe, and Mr. Walter Sprague/PC&F have tentatively scheduled a meeting in your office on September 9, 2013 to discuss the above referenced site and another site in Oakland. In your last letter, dated June 21, 2013 for the above referenced location, you requested that a FS/CAP be prepared and submitted to your office by Friday, August 23, 2013. Due to the timing of the pending meeting, Antea Group would like to request an extension for the submittal of the FS/CAP. We would like to discuss the sites issues with you and then approximately two weeks subsequent to this meeting, submit the FS/CAP for your consideration. Please let me know if this is acceptable to you.

Regards,
