10/08/07, 225p, discuss site
trying to lease property
still on LUSTIS list, son took over
real estate broker wants to be contact for site, he will send me a letter from RP confirming this
RP broke, no phone
has a phase 1, report has not sent in.
wants to meet & see what needs to be done on site
requested he hire a consultant to review site data & prepare a work plan for next phase of work & submit.
Previous corresp requested that an additional SWI work be performed.
Consultant can assist them with USTCF application.

We had previously discussed site during file review, pollution discovered during the last phase of work at the site. Cannot close case.
