Gentlemen,

I recently received a Notice of Responsibility identified by Local ID: RO0000233 for the site Chevron #9 – 4612 at 3616 San Leandro St., Oakland, CA 94601. I am the sole owner for the property at that address. Mr. Ratto owns the property directly adjacent to my property.

I have notified those leasing the warehouse on my property that Gettler-Ryan Inc., on behalf of Chevron, will be coming on May 2, 2012 to monitor groundwater samples on that site.

Sincerely,

Vivian McIlraith
