Brian,

We have not received a response from the Cleanup Fund.

Regards,
Jerry Wickham

Good afternoon Jerry, I am following up on your response to the clean-up fund about closure at the Oakland Truck Stop site. I was wondering if the fund had responded to you about moving forward with case closure; if they were going to do it without site management requirements or if they are leaving it to your office to close the site with site management requirements.

Thanks,

Brian W. Millman
