Brian,

I have a paper copy of a Revised FS Report dated May 7, 2012. This report does not appear to be in our case file, all ACEH case files are electronic. ACEH does not accept paper copies. In order to get this document into the case file for review, please submit the report to the ACEH ftp site per the attached instructions.

Mr. Wickham,

I am in the process of completing the revised feasibility study report for the Rino Pacific site in Oakland CA. Before I have finalized the report I would like to discuss some of the technical comments from the ACEHS letter dated 29 November 2011. Is there a good time or day to call you this week? I would like to try and schedule a phone call with you to discuss the site at your convenience. Please let me know what your schedule will accommodate.

Thank you for your assistance with this project.

Sincerely,

Brian W. Millman
