**Entry Type:** Phone call

**Start:** Wed 2/18/2009 4:06 PM  
**End:** Wed 2/18/2009 4:06 PM  
**Duration:** 0 hours

Phone call with Art Deicke of Advanced GeoEnvironmental regarding correspondence requesting reduced monitoring. They are requesting reduced monitoring with continued operation of the remediation system due to delays in UST Cleanup Fund reimbursement. I indicated that we will consider reduced monitoring on a case by case basis based on technical merits; however, delays in funding cannot be the sole reason for discontinuing work. He will submit a proposal with a schedule for future monitoring including wells, analytes, and frequency.
