Lenard Jones, 839-4069

Attempt to identify how he is affiliated with site. He said he is working with the owner on the site. He will not identify how he is affiliated with the site, is he buying it? Told him if he is buying property (file review discussions indicated) I will notify him of additional issues. he said it is none of my business what he does with his money.

Try to discuss site. He is irate & dissatisfied with all information I give him.

Site is not characterized, additional SWI work is necessary, site is not closable, RP has not responded to directives. If he purchases site he will become responsible for investigatio & cleanup at the site.

No resolution to his inquiry.

Subsequent multiple voice mails from him forwarded to me by Jenniffer LaPorta & Larry Seto as Lenard calls every former caseworker onsite.

Alos, significant time spent with him during file review by MyLe & Roseanna to help him understand the site.
