6/21/04, 130p, LFR, Fruivale habitat for humanity. she said barney just gave it to me last week Friday have I reviewed. No just received, not looked at yet, unreasonable to assume reviewed in couple days.
She said city & cty did not pursue over last couple years, no rush project complete.
Working on others, contact barney re: status, need regulatory review time
Tues, 434p, M. Gomez, Barney moved a site to my desk for closure
2662 Fruitvale, ltr at time allowed HH comfortable enough to build homes, 4 single family homes
Not situation that NFA ltr needed ASAP. Urgency here residents on site w/out full reg closure, waited for some time to get.
Phonix award, Nat't Brownfield award, credited ACEH, when don't know, wants closure by nat'l brownfileds conf sept 238-7314, does not need a call back
7/2/04, 201p, mark Gomez, city of oak, 2662 fruitvale site, invest & cleaned up a little out there, phonix awards, is a winner this year, sept 2004 brownfields conf, complied w/directives, highlight ACEH involvement, sufficient reason, 238-7314
