UNDERGROUND STORAGE TANK CLEANUP FUND (FUND), REQUEST FOR FURTHER DOCUMENTATION DURING INITIAL REVIEW: CLAIM NUMBER 019059; FOR SITE ADDRESS: 2006 ENCINAL AVE, ALAMEDA

After reviewing your claim application to the Cleanup Fund, we find that the following additional information is needed to determine your eligibility for placement on the Priority List:

On October 26, 1996, you submitted a claim application to the Fund. On January 21, 1997, the claim was accepted and placed on the Priority List in Priority Class C. In 1998, the claim was removed from the Priority List because you were not incurring and paying for the cost of the cleanup.

On September 10, 2007, you submitted a new application to the Fund, which is a duplicate of the previous claim that was submitted in 1996.

In order for the Fund to determine your eligibility, you must provide documentation that you have incurred and paid for the cost of the cleanup. Please provide copies of the cancelled checks that show you have paid for the cost of the cleanup.

You completed the Non-recovery From Other Sources Disclosure Certification Form (form) and included it with your application. Generally, the form is not necessary until you have been placed on the Priority List. However, since you did complete the form, are you required to repay any of the corrective action costs that you did not incur? Also, has there ever been a lawsuit regarding the property? Please advise.

According to the records from the duplicate claim (11992), it was noted; that it appears you may have operated the subject Usts prior to their removal in 1989. Please explain.

NOTE: Failure to respond to this request within thirty (30) calendar days from the date of this letter may result in an ineligibility determination of your claim.

Mrs. Kay Ku
