UNDERGROUND STORAGE TANK CLEANUP FUND (FUND), **FINAL REQUEST FOR FURTHER DOCUMENTATION DURING INITIAL REVIEW: CLAIM NUMBER 019059; FOR SITE ADDRESS: 2006 ENCINAL AVE, ALAMEDA**

On December 4, 2007, the Fund requested additional information in order to continue the processing of your claim. To date, the Fund has not received your response.

On a separate note, the Fund received from Gribi Associates, an Assignment Agreement (Assignment) from you in which you are assigning your rights to the Cleanup Fund to Mr. Michael Yue. Before the Assignment can be reviewed, you must respond to the Fund's letter.

The Fund has information that was taken from County notes, that there was a lawsuit between you and the then former owners (Butlers) of the subject property regarding the USTs. Please provide a copy of the lawsuit and any documentation regarding this matter.

In 1988, soil sampling was conducted at the site because of a Stoddard Solvent spill. Mr. Gino Kang, paid for the results. What was done to abate the contamination? Was a report filed after the lab results? Who took the responsibility for the spill?

If you were the property owner in 1982, you have not listed the above person as being an operator of the subject USTs on your claim application. What is the relationship between you, Crystal Cleaners, and Mr. Kang?

In addition, when did you become aware of the permit requirement from Alameda County?

Because of the discrepancies, it is incumbent upon you to demonstrate to the Fund that you have complied with the County requirements.

NOTE: Failure to respond to this request within thirty (30) calendar days from the date of this letter may result in an ineligibility determination of your claim.
