Hello Hollis,

As long as you have the permits and approved access, ACEH is not opposed to conducted the work with less than the 3-day notification that was requested.

Sincerely,

Paresh:

Sorry for this short notice (I've been out of the office this week) but we would like to destroy the wells at RO241 (11127) tomorrow. We sent a land owner notification to the owner over a month ago with no response. We have pulled the appropriate well destruction permits from AC Public Works Dept.
