Hi Barbara,

I just left you a voicemail.

I spoke with Bruce Burrows and he has asked me to prepare a work plan in response to your 4/25/12 letter. I have reviewed the file and believe that I have a very straight-forward approach to satisfying the requirements set forth in your letter.

I request that the due date for the work plan be extended to Monday 10/1/12 so that I will have adequate time to prepare the work plan.

Please let me know at your earliest convenience. Thank you!

Paul
