Ms. Jurek

BVNA has been attempting to obtain the files as requested. Many of the files were with a former employee and as such we have had some difficulty obtaining all the requested files and information to date. We will begin uploading the files that we do have, but would kindly request an extension of 30 days in order to have sufficient time to retrieve the requested information and summarize it as requested. I anticipated that the additional 30 days would allow for us to retrieve and upload the remaining files.

Sincerely

mark
