RE: 2nd QGW 2006 & Revised ASAWP 2006 Reports for Plaza Car Wash, 400 San Pablo Ave., Albany, RO #0000260

Dear Ms. Dianna Nguyen,

We did not receive the documents you listed. Do you have Norton Antivirus 2005? If so, that may be the cause of your failure to upload documents to our FTP site. If not, please allow the documents extra time to upload even if the screen indicates otherwise. Hopefully these will work. Best of luck.

Dianna,

On April 17, 2006, the ACEH ftp site received documents entitled "Addendum to Previously Submitted Work Plan," dated April 12, 2006 and "First Quarter 2006 Ground Water Sampling Report," dated April 3, 2006.

Are these the documents you are referring to?
