donna,
you have renamed the site at 2951 high st., oakland as "ARCO." According to BP/ARCO, it was a franchise site and they were never the owner or operator. the active rp (not BP/ARCO) has requested a name change in geotracker from "ARCO" to "EXPRESS GAS AND MART." as our name is misleading, i suggest we accept the name change and update our database. please indicate if you disagree, otherwise roseanna and i will make the changes.
thanks,
bob
