ALAMEDA COUNTY CASE #: RO0000269

Dear Mr. Graves,

This is regarding the above-mentioned site I own located at 340 Highland Avenue, Piedmont, CA 94611. The subject site was closed on 7-14-2014. Even after numerous requests to your agency and Mr. Mark Detterman of Alameda County Environmental Health Department we have not received a UCL under the Health and Safety Code section 25296.10 to date. Please advise. Thank you.

Ravi Randhawa
