Subject: Facility 90329_Well Destruction Update

Mark,

Per our conversation this afternoon as to a specific timeframe for the required work for the site referenced above, CRA is working on attaining encroachment permits from the City of Alameda. Pending the receipt of the encroachment permits, I wanted to confirm the approved deadline of May 30, 2014 for well destructions for Facility 90329.

Thank you for your continued support with regards to these sites.

Any questions, please let me know.

Thank you,

Alexis N. Fischer
