Dear Mr. Worthington:

I would like to take this opportunity to introduce myself. My name is Keith Nowell. I am a Hazardous Materials Specialist with the Alameda County Environmental Health (ACEH) Local Oversight Program (LOP). I have recently been assigned your case as your previous case worker, Barbara Jakub, has transferred out of the LOP. I have reviewed your case file, including the recently submitted document entitled *Quarterly Groundwater Monitoring Report (sampled June 2013)* prepared by Weber, Hayes & Associates and dated August 22, 2013 for the subject site.

As part of my introduction to you I would like to arrange a meeting with you and your consultant to discuss your case, including the conclusions and recommendations presented in the referenced report, to move your case forward in an expeditious manner.

Please provide ACEH several dates and times during which a meeting can be scheduled. ACEH staff will select dates and times from your list and email an invite to schedule the meeting. Please provide the list of available dates and times by November 20, 2013.

If your email address is incorrect or does not appear on the cover page of this notification ACEH is requesting you provide your email address so that we can electronically deliver the meeting invite and correspond with you quickly and efficiently regarding your case.

Thank you for your cooperation. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at keith.nowell@acgov.org.

Sincerely,

Keith Nowell, P.G., C.HG
Hazardous Materials Specialist
