Dear Mark and Dilan,

Seeking your approval with regards to an extension request for the Site Conceptual Model and Data Gap Work Plan which was requested by Alameda County Environmental Health (ACEH) in a letter dated April 7, 2014 and is due on July 13, 2014 for the facility referenced above. CRA has worked on multiple deliverables that have been submitted and are currently being worked on over the last month and a half and they have informed me that additional time will be necessary in order to complete the Site Conceptual Model and Data Gap Work Plan. Therefore, an extension of **October 3, 2014** for the submittal of both the Site Conceptual Model and Data Gap Work Plan is requested.

Thank you for your consideration and support.

Regards,

**Alexis N. Fischer**
