I am aware that the procedure to get an encroachment permit in Oakland is rather extensive and time consuming and approve your extension request to November 28, 2009. Regards, Barb Jakub

Hi Barbara,

We're proceeding with the investigation at the above referenced site.

The difficulty of getting an encroachment permit from the City of Oakland has caught us off-guard. Evidently the entire process can take up to 3 months. It may not be realistic to meet the report date of August 28.

I'd like to request an extension to November 28. Thank you for your help with this.
