I provided you with the case closure package this morning. If you are looking for another document, please contact Mr. Badertscher for the email in question. Request that he forward you his email. That way you will both be on the same page when discussing the case. Additionally, all documents pertaining to the case can be reviewed at <http://www.acgov.org/aceh/top/ust.htm>.

Keith,  
According to the information Mr. Badertscher gave to me this is not the same email you sent to him on the twenty third of June.  
Also, this is not user friendly for some Buyers.  
Please send original email.

Thank You Again,
