Louis,

It appears you may have found a new consultant. Please send me an email identifying (confirming) who your consultant is by **April 22, 2015**. I will forward my email, dated April 6 2015, to your consultant requesting well destruction scheduling following the successful conclusion of the public notification period.

Please note that authorization to proceed with well destruction will be provided, under separate cover, upon successful conclusion of the public notification period.

Regards,
Keith Nowell

Dear Mr. Badertscher:

Attached please find a copy of our cost estimate for decommissioning the three groundwater monitoring wells at your facility.

Let me know if you will like us to proceed.

Sincerely
