Subject: Case No RO0284, Former Chevron 90121; 3026 Lakeshore Ave, Oakland - Site Investigation Report - Extension Request

Mark,

Per a previous conversation, GHD Service, Inc. (GHD) on behalf of Chevron Environmental Management Company (EMC) would like to request an extension for the *Site Investigation Report* requested by Alameda County Environmental Health (ACEH) letter dated March 23, 2015. The reason for the extension is that based on the time it took to obtain all required permits from the City of Oakland (City) to install the offsite wells, the work was only just completed October 25, 2016. As of today, GHD has not yet received all the analytical data for the soil and groundwater samples submitted to the laboratory for analysis. Therefore, a two week extension of **December 7, 2016** for the submittal of the *Site Investigation Report* is requested.

Thank you,
Kiersten

Kiersten Hoey
