Hi Mark,
Per our discussion, GHD on behalf of Chevron Environmental Management Company (CEMC) will combine the TPHd Ecotoxicity Report and Work Plan requested in the Alameda County Department of Environmental Health (ACDEH) July 18, 2017 letter. The combined report will be submitted by the September 22, 2017 date.

Additionally, as discussed, the Pacific Environmental Group October 4, 1993 *Remedial Feasibility Study* is on the ACDEH ftp site.

Thank you,
Kiersten
