Subject: RO0000284; Former Chevron 90121; 3026 Lakeshore Ave, Oakland

Hi Mark,

Per our conversation yesterday, GHD on behalf of Chevron Environmental Management Company (Chevron) would like to request an extension for the TPHd evaluation, work plan, and technical response to Alameda County Department of Environmental Health (ACDEH) letters dated June 7, 2017 and July 18, 2017. To allow time for the Chevron ecotoxicity, vapor intrusion, and property specialists to contribute to the report, we are requesting a new due date of October 20, 2017. The requested FS/CAP will be submitted at a later date following ACDEH's response to the TPHd evaluation, technical response, and work plan.

Thank you,
Kiersten
