Subject: RE: Fuel Leak Case RO0000293 - CITY OF OAKLAND MUNICIPAL SERVICE CENTER

Dear Mr. Nowell:

This is regarding your email about submitting a work plan to address data gaps at the Municipal Service Center site (9101 Edgewater Drive, Oakland). Based on our discussions, the City's consultant (Arcadis, Inc.) has prepared a cost estimate to address the data gaps. I have forwarded the cost estimate along with a request for funds to the Public Works Director. We are seeking approval of funds from the city council for the next fiscal year, starting July 1st. Due to lack of funds, I request you to grant a one month extension to the work plan submittal deadline (July 31st).

If you have any questions, or need additional information, please let me know. Thanks.
