Dear Mr. Wickham;

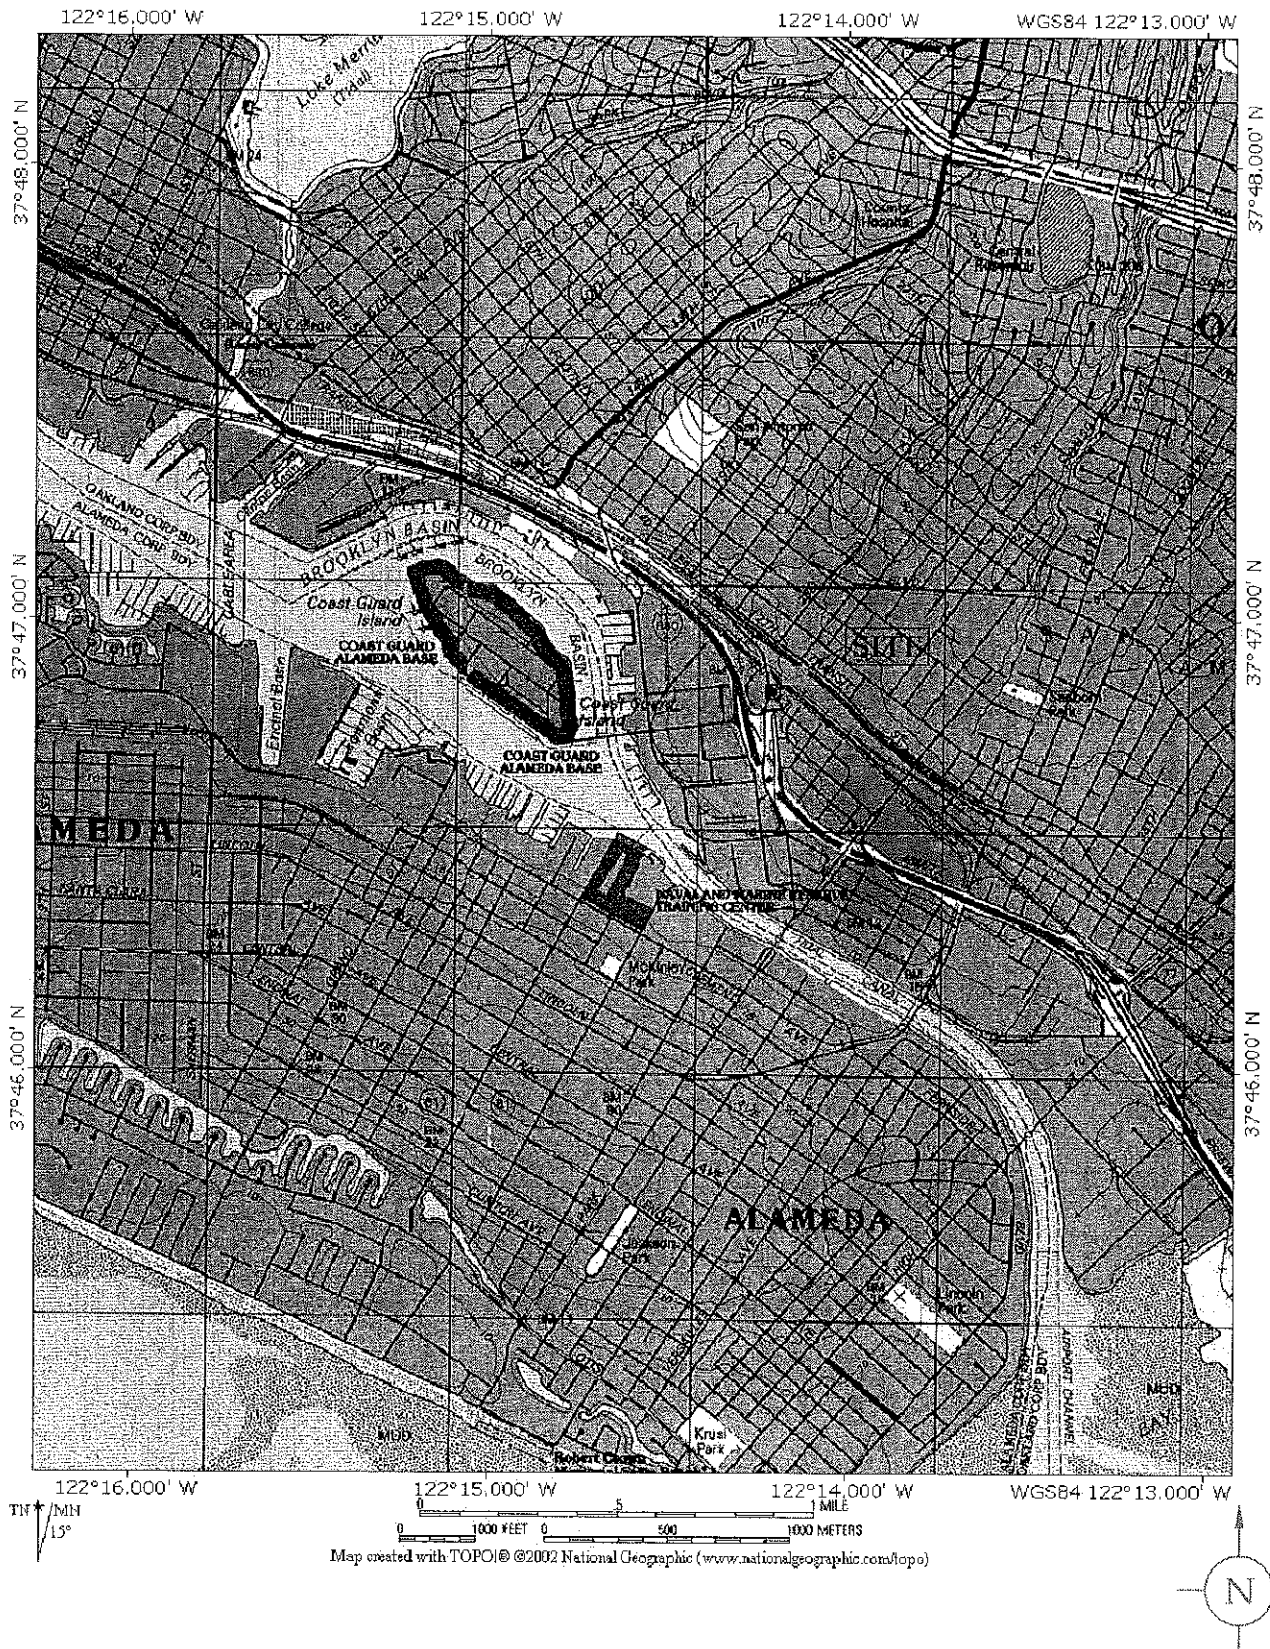

Clearwater Group is currently evaluating the 1125 Miller Avenue, Oakland site. As part of the evaluation Clearwater is requesting a well search for the area surrounding 1125 Miller Avenue, Oakland, through the California Department of Water Resources. Enclosed please find a copy of a Department of Water Resources, Well Completion Report Release Request and Confidentiality Agreement for the well search and a Site Vicinity Map. Please complete and sign the Agreement and return it to Clearwater Group in the enclosed, pre-paid, FedEx return envelope. If you have any questions, or concerns, do not hesitate to call me at 510-307-9943 Ext 224. Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Robert L. Nelson".

**WELL COMPLETION REPORT RELEASE REQUEST AND CONFIDENTIALITY AGREEMENT
REGULATORY-RELATED ENVIRONMENTAL CLEANUP STUDY**

Well Completion Reports associated with wells located within two miles of an area affected or potentially affected by a known unauthorized release of a contaminant will be made available upon request to any person performing an environmental cleanup study associated with the unauthorized release, if the study is conducted pursuant to a regulatory agency order (Water Code Section 13752).

Requests must be made on the form below, signed and submitted to the appropriate DWR District Office. Please provide the township, range, and section of the property where the study is to be conducted. Attach a map or a sketch with a north arrow, and provide as much identifying information requested below as possible; additional paper may be attached if necessary.

By signing below, the requester acknowledges and agrees that, in compliance with Section 13752, the information obtained from these reports will be kept confidential and will not be disseminated, published, or made available for inspection by the public. Copies obtained must be stamped **CONFIDENTIAL** and kept in a restricted file accessible only to authorized personnel. These reports must not be used for any purpose other than for the purpose of conducting the environmental cleanup study.
