Erin,
Thank you for the notification of field work. I looked in the file and the locations were previously approved by ACEH so proceed with work. I will try to be there at least one of the days.
Regards,
Barb Jakub

Hello,

I just spoke to you over the phone about the soil vapor sampling schedule for 20405 Redwood Road.

I plan to be at the site May 10 and 11 (Thursday and Friday) from 8AM to about 3PM. On Thursday, we set the sampling points and on Friday we do the actual sampling.

Thank you,

Erin Basel
