1000 San Pablo Ave.
Albany, CA 94706

Dear Ladies and Gentlemen:

As you are aware, the public comment period for the subject site ended on October 17, 2014. No comments were received by Alameda County Environmental Health (ACEH). You are free to proceed with remaining activities at the site. Because wells were not installed at the site, it is only necessary to provide documentation that all investigation derived waste has been removed from the site and properly disposed of.

TECHNICAL REPORT REQUEST

Please upload technical reports to the ACEH ftp site (Attention: Mark Detterman), and to the State Water Resources Control Board's Geotracker website, in accordance with the specified file naming convention below, according to the following schedule:

- **December 29, 2014** – Documentation of Waste Removal
File to be named: RO297_CORRES_L_yyyy-mm-dd
- **4 Weeks After Completion of All Required Submittal Tasks** – Uniform Closure Letter Issued
(Provided no public comments of substance have been submitted)

These reports are being requested pursuant to California Health and Safety Code Section 25296.10. 23 CCR Sections 2652 through 2654, and 2721 through 2728 outline the responsibilities of a responsible party in response to an unauthorized release from a petroleum UST system, and require your compliance with this request.

Online case files are available for review at the following website: <http://www.acgov.org/aceh/index.htm>.

Should you have questions, please let me know.
